# Shot & Caught

## Road rage accused caught, try to flee by assaulting cops, shot and nabbed again

- Cops solve last month's knife attack case on KSRTC driver
- Bilikeri Police SI Jayaprakash opens fire at prime accused
- One among three accused is a rowdy-sheeter from Mandya
- Two cops hurt in attack, discharged after treatment

***The video-grab of Jan. 22 incident. Picture right shows the prime accused Jayanth** (centre) **flanked by Deepak and Vignesh, all in their early 20s.***

Mysuru, Feb. 10 (RK&SSV)- A youth, who had attacked a KSRTC bus driver with a knife over a petty issue on Mysuru-Hassan Highway last month, was shot at by the Bilikeri Police, after he allegedly attacked the Police team and tried to escape from the Police custody yesterday evening.

The accused has been identified as Jayanth, 23, a resident of Mandya and a rowdy-sheeter who has been accused in Srirangapatna murder case. He and two of his accomplices, Deepak, 23, a resident of Mysuru city and Vignesh, 24, were on the run after they were involved in a road rage at Hosaramanahalli, about 30 kms from Mysuru, on Jan.22.

The prime accused, Jayanth had allegedly assaulted KSRTC bus driver Venkatesh, who took his vehicle to extreme right side to avoid hitting a cattle that came on road suddenly, with a knife and stabbed him for multiple times in full public view. None went to the rescue of the bus driver even as the youth knifed the driver several times.

However, a bus passenger had caught this incident in his mobile phone and put it on social media. This came handy for cops to launch a manhunt for the assailant and his accomplices. Special teams had been constituted to arrest the culprits.

## EDITOR'S BOTTOMLINE

***Words carry the power to shape the future. Not many Statesmen can speak in a manner as powerful as Prime Minister Narendra Modi. His response to the debate on motion of thanks on the President's address pressed all the right buttons with people at this critical hour. PM Modi quoted two former Prime Ministers, the farmer leader Chaudhary Charan Singh and Dr. Manmohan Singh. From their words, we understand that there has always been a desire for agricultural reform. It was the inability to navigate the roadblocks that delayed them. PM Modi has tried to navigate the roadblocks. It should, as a nation, make us happy that a PM is fulfilling some of the ideas of his predecessors despite having different political affiliations. Such continuity and bipartisanship augurs well for our future.***

***Parliament was also the right forum to isolate those who are perpetual mischief-sniffers*** *(Andolanjeevi* ***as the PM called them), who lack the ability to ignite a positive change but are quick to latch on to others, and subsequently, mislead them. The PM was right to caution us about such elements. After all, when a nation's economic revival is right on track; when the world is all praise for India's humanitarian ethos of supplying vaccines; when India's young are scaling new heights, who gains by causing mindless roadblocks? PM Modi's Rajya Sabha speech has set the benchmark — it was a speech which said the right things, exposed many mistruths but most importantly one where India's small farmer was brought into the mainstream of national discourse.*** *—Jyotiraditya Scindia in Hindustan Times*

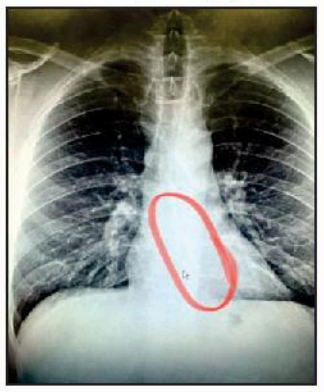
### Missing AirPod found in man's oesophagus



Worcester: A 38-year-old man had to undergo surgery to remove his ear buds lodged in his throat after accidentally swallowing it in his sleep.

Last Tuesday morning, Brad Gauthier of Worcester in Massachusetts, noticed that one of his AirPods was missing. He had fallen asleep with them on. He went about his day as usual, ignoring the slight discomfort in his chest. But when he tried to have a drink of water, his throat simply filled up and he started chocking. After messing around for about 10 minutes, he decided that going to the hospital was a good idea.

After undergoing an x-ray, doctors found the AirPod lodged in his oesophagus. They then conducted surgery and removed it. Interestingly, it's built-in speaker was still functional, but the microphone was damaged during its unusual trip.

### Laptop with seven foldable displays

London: The Expanscape Aurora 7 prototype is being marketed as the world's first seven-screen laptop, a 17.3-inch behemoth designed with IT professionals and content creators in mind.

Having more than one display is quite common for PC workstations, but multiple screens have obviously been more difficult to implement on laptops. Well, until today, that is, as laptop manufacturer Expanscape has recently released the world's first seven-screen mobile workstation, monster of a rig that unfolds into a mobile powerhouse. The London-based company has yet to announce a price for its unconventional device, but the company's official website mentions that the prototypes are already available for sale.

## HEALTH CAPSULE

**HOW LONG WILL EACH HAEMODIALYSIS (HD)TREATMENT LAST?**

HD is usually done 3 times per week for about 4 hours at a time. Your doctor will give you a prescription that tells you how much treatment you need. Studies have shown that getting the right amount of dialysis improves your overall health, keeps you out of the Hospital and enables you to live longer. Your dialysis team will monitor your treatment with monthly lab tests to ensure you are getting the right amount of dialysis. Ask your dialysis team what measure they use and what your number is, to ensure that you are getting enough dialysis:

## VOICE OF THE READER

# Wear loose shirts to take vaccination

Sir,

Of late, I am observing in newspapers that a lot of men are removing their shirts to get the COVID-19 vaccination. I want to know what prevents them from wearing a half-sleeve shirt or a loose T-shirt so that it will be easy for the vaccinators to inoculate them without insisting on them to remove the shirt.

The District Administration or the Heath Department may issue a one-line note asking the vaccine beneficiaries to come in half-sleeve shirt or T-shirt so that people will not feel awkward to see the bare-chested pictures of some of the top bureaucrats like in yesterday's newspapers.

Hope, Mysuru Deputy Commissioner Rohini Sindhuri will issue an instruction in this regard at the earliest.

# Property Tax to undergo revision every year to raise revenue

Bengaluru, Feb. 10 (KMS& DM)- In an effort to raise revenues of cash starved City Corporations, the State Government on Monday passed an Act in the Legislative Council that allows yearly upward revision of tax on properties coming under all City Corporations of the State, barring Bruhat Bengaluru Mahanagara Palike (BBMP).

The Act enables yearly enhancement of property tax in the range of 3 to 5 percent in all 10 City Corporations — Mysuru, Davangere, Ballari, Tumakuru, Shivamogga, Hubli-Dharwad, Belagavi, Vijayapura, Mangaluru and Kalaburagi — in the State .

Earlier, the property tax used to generally undergo a revision once in three to five years, when the Government raised taxes by 15 to 30 percent at once. But the new Bill will allow the City Corporations to enhance property taxes in their limits by 3 to 5 percent every year.

Despite stiff opposition from the Opposition Congress and JD(S), Urban Development Minister Byrati Basavaraj moved the Karnataka Municipal Corporations Amendment Act - 2021, which was passed by the Council by a voice vote. As the Act was passed, Congress members walked out in protest. Byrati defended the Act saying that the Corporations will get more grants from the Centre if they generate more revenues and the amended Act will help the Corporations considerably enhance their revenues.

Somashekar further said that he will bring the matter to the notice of Opposition leader Siddharamaiah and appeal him to raise the issue in the Assembly and force the Government to take necessary steps.

# Road rage accused caught & shot

(Continued from page 1)

Bilikere Police Sub-Inspector Jayaprakash and his team got information yesterday that the accused persons were holed up at a hotel in Molakalmuru Town in Chitradurga District. Acting on this, the Police team swung into action and arrested all three accused.

While they were being brought to Bilikere Police Station around 6.30 pm, Jayanth requested to stop the vehicle to attend nature's call. The SI allowed him and sent two of his staff members, Ravi, a Constable and Ravi, a Head Constable, as escorts. At this time, in a bid to escape, Jayanth picked up a wooden stick and attacked the escorting cops. In the process, both the cops sustained injuries.

Seeing this, SI Jayaprakash asked Jayanth to drop the stick and surrender. However, when the accused relented, the Sub-Inspector fired at Jayanth's knee. The incident was brought to the notice of higher-ups.

The injured Constables were taken to Hunsur General Hospital for treatment. Rowdy-sheeter Jayanth was shifted to K.R. Hospital for bullet wound treatment. The accused has been admitted to Jail Ward in K.R. Hospital and is said to be out of danger.

On the receipt of information, Superintendent of Police (SP) C.B. Ryshyanth, Deputy Superintendent of Police (Dy.SP) Raviprasad and Circle Inspector Ravikumar inspected the spot of the incident.

Bilikere Police have registered a case and are investigating.

*Bilikere Sub-Inspector Jayaprakash, who fired at accused Jayanth in self-defence.*

*The injured Head Constable Ravi and Constable Ravi.*

## Rowdy-sheeter Jayanth weighed 110 kg!

The cops were shocked when the accused Jayanth weighed 110 kg during the medical check-up before the commencement of treatment for the bullet wound at K.R. Hospital. He was allegedly involved in Srirangapatna murder case too. Since then, he was evading the Police. His barbarism came to fore when he knifed a KSRTC bus driver for 16-18 times just for not giving way to his two-wheeler on Hosaramanahalli Road in Bilikere Police Station limits on Jan.22. After this incident, Jayanth had escaped with his two friends. The cops nabbed them from a hotel in Molakalmuru, Chitradurga district yesterday.

## Injured bus driver seeks stringent punishment

Venkatesh, the KSRTC bus driver who was attacked by Jayanth, is now resting at his hometown in Hassan, after being discharged from Mysuru Hospital ten days ago. When *SOM* contacted, he said the accused had stabbed 7-8 times on his head and equal number of times on his hands, legs and back.

"I didn't know why he was so ferocious. Our duty is to serve the citizens. But none of them came to my rescue when Jayanth attacked me with the knife. This morning I read in newspapers that the accused attacked the Police team to escape from their dragnet. It clearly shows the mindset of the accused. The accused must be given stringent punishment so that it will be a lesson for such anti-social elements."

# Plaster Rains at Maharaja's College

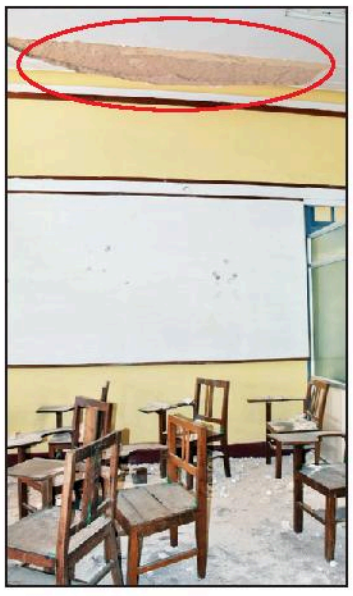
(Continued from page 1)

**We won't write exams**

Close on the heels of this incident, 1st and 2nd year students of this Department have refused to appear for the examination till their classrooms were shifted elsewhere. They complained that the building was old and unsafe for students. They also boycotted classes as a mark of protest.

**Building sturdy, safe**

Refuting students' claims, the Department faculty said the building was sturdy and safe to conduct the classes. Repair works on the roof had been carried out last year to plug leakage. At that time, the contractor had used a drilling machine to remove the old layer of concrete to put the fresh coat of cement to check the seepage of water during rainy season. This morning, around two inch of plaster from a portion of the roof has fallen.



In fact, the Maharaja's College is a heritage building in which Department of Criminology was functioning. A number of study items, human skulls and skeletons are exhibited in this Department for the sake of students. "We don't know why plaster peeled off. This will be brought to the notice of the University authorities for further course of action. We will seek opinion of the VC or Registrar whether classes could be continued in this room in the wake of students' reluctance to attend classes here," they noted.

Over 50 students are studying in this Department.

**Similar problem at MMC&RI Hostel**

A similar situation prevailed at Mysore Medical College and Research Institute (MMC&RI) Boys Hostel on JLB Road recently. The plaster from the roof of almost all rooms on the third floor of the hostel building had been falling regularly. This forced the MMC&RI authorities to lock up all these rooms and shift the students to KSOU Hostel on Hunsur Road temporarily. The State Government had been requested to release funds to take up renovation of the Boys Hostel building.

Two months ago, Health and Medical Education Minister Dr. K. Sudhakar too inspected the hostel building.

**Double murder case**

# Three remanded to Police custody

Mysuru, Feb.10 (RK&SSV)- One more person has surrendered before the Police in connection with the double murder case that took place on Yelethota Road in city on Sunday night over a property dispute.

On Monday, two accused, Dilip and Madhu had been arrested by Police. And on Tuesday, another person, Somesh alias Meese Swamy, also surrendered. With this, three persons have been held on the charges of murdering the duo, Deepak Kishan (30) and Kiran (30). All the three accused were produced before Court and have been sent to four-day Police custody for further investigation.

The Police sources said one of the accused, Madhu did not have any role in the double murder since he had brought two-wheeler and was present at the spot. On Sunday night, Kiran, Deepak Kishan and Madhusudhan were returning home after having *Badoota* (non-vegetarian food) and drinks. At that time, Meese Swamy came to the spot. Deepak and Kishan assaulted Meese Swamy and sent him. Then, Swamy informed his relatives who came to the spot and spotted Deepak Kishan and Kiran near St. Mary's Circle. Another round of wordy duel took place between Dilip and Deepak. In a fit of rage, Dilip took out a machete and assaulted both Kiran and Deepak Kishan who succumbed to injuries.

K.R. Police have registered a case and investigating.

# Burglar shot at in B'luru

Bengaluru, Feb. 10 (SSV)- A notorious burglar has been shot at by Jayanagar Police in Bengaluru this morning.

The accused was a habitual thief and was involved in over four to five cases.

This morning, he was spotted and the cops tried to nab him. At that time, he attacked the Police with an iron rod. As self-protection, Circle Inspector of Jayanagar Police Station opened fire and shot at the burglar.

The accused has been admitted to Victoria Hospital.

# Youth run over by train

Mysuru, Feb. 10 (RK&KS)- A 24-year-old youth, who was reportedly walking on the Railway track on Mysuru-Chamarajanagar route, was killed after being run over by Tirupathi-Mysuru-Chamarajanagar train this morning.

The deceased is Srinivas, son of Venkatesh, a trainer at a gym in city and a resident of Besthageri on Chamaraja Double Road.

The train left Mysuru Station to Chamarajanagar at about 7.30 am and Srinivas came under its wheels near Saraswathipuram Fire Brigade. Mysuru Railway Police have registered a case.

# Foundation training for women Police Constables begins

Mysuru, Feb.10 (RK&DM)- The Foundation training for the sixth batch of 244 newly recruited women Police Constables began at the Police Training School (PTS) in Jyothinagar here on Monday.

Speaking after inaugurating the programme, IGP (Southern Range) Pravin Madhukar Pawar said that the trainees should make an indepth study of IPC and Cr.PC Sections. Highlighting the importance of the training programme, which involves a lot of physical fitness, he called upon the trainees to serve the Department with honesty, integrity and efficiency.

PTS Principal Dr. Dharani Devi Malagatti, Dy.SP P. Umesh and others were present.

# Simple Suttur Jatra takes off

*Suttur Seer Sri Shivarathri Deshikendra Swamiji launched the 'Rathotsava' at Karthru Gadduge in Suttur Srikshetra, Nanjangud, by offering puja to the 'Utsava Murthy' at around 10 am today (Feb. 10). The main 'Ratha' (Chariot), costing Rs. 2 crore, is 55 ft. tall and weighs 40 tonnes. This new Ratha, which is in service since 2018, was followed by the old Chariot. This year, the Chariots were pulled only in front of Gadduge unlike previous years when the Rathotsava used to pass through the streets (Raja Beedi) of Suttur to reach Doddamma Thayi Temple Circle, before returning to the starting point. Picture shows devotees witnessing Rathotsava at Suttur this morning. [Pic. by Vatal Anand]*

Nanjangud, Feb. 10- The two-day annual Suttur Jatra Mahotsava got off to a simple, yet traditional start at Suttur in Nanjangud taluk yesterday.

The Jatra which used to be a six-day event in the past, has been limited to just two days this year on account of COVID-19 crisis.

A simple mass marriage marked the first day of the Jatra, in which 23 couples, including a blind couple entered wedlock.

Speaking after inaugurating the mass marriage, Opposition Leader and former Chief Minister Siddharamaiah regretted that parents often fall into debt trap to conduct luxurious and splendorous marriages of their children.

Calling for the conduct of simple marriages, he advised the parents against selling their properties for conduct of marriages of wards. Highlighting the importance of conducting simple marriages, Siddharamaiah said that he would like to see more inter-caste marriages in the society.

Complimenting Suttur Mutt for organising mass marriages, he

said that he was happy to take part in this novel initiative, which is graced by the Suttur Seer.

Recalling his association with Suttur Mutt since his childhood days, Siddharamaiah recollected an incident when late Seer Sri Shivarathri Rajendra Swamiji gave him Rs. 5 after he performed a folk dance (Veeramakkala Kunita) as a ten-year-old child. He had purchased a sheep out of this money then, he added.

District Minister S.T. Somashekar, in his address, called upon the parents to hold simple marriages and thus save themselves from the clutches of debt. Pointing out that the Jatra has been limited to two days because of the COVID-19 crisis, he recalled the contribution of Sri Shivarathri Rajendra Swamiji in setting up educational institutions and providing education to lakhs of students.

Somashekar released writer M.A. Neelambika's work 'Vachanakkondu Kathe' on the occasion. Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji graced the occasion.

Vijayapura Jnana Yogashrama Mutt Seer Sri Siddeshwara Swamiji, Tumakuru Siddaganga Mutt Seer Sri Siddalinga Swamiji, Vatalu Mutt Seer Sri Siddalinga Swamiji, Social Worker S.R. Gayatri, KPCC Women's Wing State President Dr. Pushpa Amarnath, former Mysuru ZP President K. Marigowda, former MLC K.R. Mallikarjunappa, former MLA M.K. Somashekar, JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath, and others were present. The Jatra concludes today.

*Former Chief Minister Siddharamaiah inaugurated the Mass Marriage held at Suttur as part of Suttur Jatra Mahotsava yesterday in the presence of Suttur Seer Sri Shivarathri Deshikendra Swamiji, Siddaganga Seer Sri Siddalinga Swamiji and Sri Siddeshwara Swamiji of Jnana Yogashrama (Vijayapura). Picture shows the newly wed posing for a group photo with the dignitaries. Suttur Mutt, which used to conduct mass marriage on a large scale during the Jatra Mahotsava in January-February every year, has this time decided to hold it in a simple manner over the next 11 months on different dates. For registration and details, contact Ph: 0821-2548212 or 2548122 or Mob: 97413-42222 or 94490-30588.*

## WORD OF THE DAY

### Esoteric

**Pronunciation:** ess-uh-TAIR-ik.
**Meaning:** Designed for or understood by those with specific knowledge or training : difficult to understand; limited to a small circle; private, confidential; of special, rare, or unusual interest.
**Origin:** The opposite of esoteric is exoteric, which means "suitable to be imparted to the public." According to one account, those who were deemed worthy to attend the Greek philosopher Aristotle's learned discussions were known as his "esoterics," his confidants, while those who merely attended his popular evening lectures were called his "exoterics." Since material that is geared toward a target audience is often not as easily comprehensible to outside observers, esoteric acquired an extended meaning of "difficult to understand." Both esoteric and exoteric started appearing in English in the 17th century; esoteric traces back to ancient Greek by way of the Late Latin esotericus. The Greek esōterikos is based on the comparative form of esō, which means "within."
**Example:** The judge's decisions were difficult to parse because they were loaded with esoteric legal terminology.

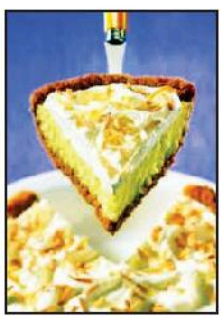
## THE ODD WORD

**Ecdysiast**

Striptease performer.

## PHRASE OF THE DAY

### As easy as pie



**Meaning:** Very easy.
**Origin:** There are many similes in English that have the form 'as X as Y'. These almost always highlight some property - X, and give an example of something that is well-known to display that property - Y; for example, 'as white as snow', 'as dead as a dodo' and, risking a group slander action from our noble friends, 'as drunk as a lord'.
How though are pies thought to be easy? They aren't especially easy to make; Those who have tried it knows. The easiness comes with the eating — at least, that was the view in 19th century America, where this phrase was coined. There are various mid 19th century US citations that, whilst not using 'as easy as pie' verbatim, do point to 'pie' being used to denote pleasantry and ease. 'Pie' in this sense is archetypically American, as American as apple pie in fact. The usage first comes in the phrase 'as nice as pie', as found here in *Which: Right or Left?* in 1855:
"For nearly a week afterwards, the domestics observed significantly to each other, that Miss Isabella was as 'nice as pie!'"

## QUOTE BOX

Good apple pies are a considerable part of our domestic happiness.

**—Jane Austen**
